

EVENTS OF DAY IN WEST SCRANTON

HALLOWEEN OBSERVANCE WAS QUITE GENERAL.

Principal Event Was Held Under the Auspices of the Electric City Wheelmen—Entertainment and Social in Mear's Hall—Funeral of Mrs. Threlfall—Cases Tried Before Alderman John—Other Smaller Paragraphs of General Interest.

The observance of Halloween in West Scranton last evening was more extensive than has been the case in many years. From early evening until far into the night young people continued their revelry, many appearing on the streets in grotesque costumes and others confining their pleasures to residences where select parties were held.

Probably the most numerous celebration of the occasion was held at the club house of the Electric City Wheelmen on Jackson street, where all the hobos for miles around gathered and discussed the leading questions of the day. They came in dilapidated cabs, ash wagons and on foot, and when the assembly call was sounded at 9 o'clock a more trampish looking set of fellows would be hard to find.

After an informal reception was held, the crowd formed in line, numbering in all about a hundred, and marched down Jackson street and Main avenue to Fairchild's hotel, where they counter-marched and returned to the club house. There the hobos marched before the judges, who were selected to award the prizes and impose the fines.

- First prize—Duncan Hall, for best make-up, prize one cigar. Fine of 25 cents for being the "best" dressed hobo. Second prize—William Williams, fattest man in line; prize, stick of gum. Fine of 25 cents for being fat. Third prize—Andrew Sherret, for the finest pair of shoes. Fine of 25 cents for not having better ones. Fourth prize—Edward Marse, for having the longest hair in the bunch. Fine of 25 cents for not having it cut. Fifth prize—Dr. B. C. Fern, for wearing his father's trousers. Fine of 25 cents for wearing a high hat. Sixth prize—Guy Ralph, for driving a mule to the club house. Fine of 25 cents on general principles. Seventh prize—Charles Bertine, for carrying a bucket of water instead of a tin can. Fine of 25 cents just for fun. Eighth prize—Gus Weiss, for general appearance. Fine of 25 cents for shaving off his whiskers.

Confidence

Women confide their troubles to Mrs. Pinkham and rely upon her advice.

Mrs. Pinkham's counsel is safe counsel. Woman's life is a constant crisis. From girlhood to womanhood, then to motherhood and so on to the perils of the "change of life." The history of every step is on Mrs. Pinkham's records thousands of times and her vast experience and confidential advice is at the free disposal of every woman who writes to her for aid. Her address is Lynn, Mass.

"Your Medicine is a Godsend" Writes Mrs. Phillips.

"DEAR MRS. PINKHAM—I want to thank you for what you have done for me. When I wrote to you last June, I was almost a total wreck from female weakness. I was troubled with irregular and painful menstruation, leucorrhoea, bearing-down pains, soreness, and swelling of abdomen; pain at right and left of womb; headache, backache, nervousness, and could neither eat nor sleep well.

"Since taking Lydia E. Pinkham's Vegetable Compound, Liver Pills, and using your Sanative Wash, I do not feel like the same person. I am so glad that I wrote to you, for you have helped me very much. My nerves are stronger and more steady than ever before in my life, and my backache and all those terrible pains are gone. Before taking your medicine I weighed less than one hundred and thirty pounds. I now weigh one hundred and fifty-five pounds. My friends say I look better than they ever saw me, and I know that I feel better than I have for a good many years. I think your medicine is a godsend to poor, weak women."—Mrs. Carrie Phillips, Anna, Illinois.

Mrs. Bernard Cured by Mrs. Pinkham.

"DEAR FRIEND—I feel it my duty to express my gratitude and thanks to you for what your medicine has done for me. I was very miserable and losing flesh very fast, had bladder trouble, fluttering pains about the heart and would get so dizzy and suffered with painful menstruation. I was reading in a paper about Lydia E. Pinkham's Vegetable Compound, so I wrote to you, and after taking two bottles I felt like a new person. Your Vegetable Compound has entirely cured me and I cannot praise it enough."—Mrs. J. O. Barnard, Milltown, Washington Co., Me.

The women of America have in Mrs. Pinkham a confidential friend whose advice is always at their disposal, free of charge. The knowledge that women only assist Mrs. Pinkham in her correspondence with women about health, makes it possible for the full details to be given, without hesitation.

Mrs. Cobb Cured of a Great Affliction.

"I think it is my duty to write you what your wonderful medicine has done for me. I suffered with itching of the external parts for six years, and was in misery day and night. I lost flesh and became weak. I tried everything I could think of. My husband wanted me to see a doctor, but I could not consent to that. He then wanted me to try your medicine, and this I agreed to do. I took Lydia E. Pinkham's Vegetable Compound, also used the Sanative Wash, and am to-day a changed woman. I am free from my misery, and can go to bed and sleep like a baby. I can work with comfort, and it does not tire me as it did to walk. Your remedies have done wonders for me, and cannot be praised enough. I would not be without them. They cured me of a great affliction, and why should they not cure others? I would advise every suffering woman to give them a trial."—Mrs. J. S. E. Cobb, Bridgeton Center, Me.

HIGH SCHOOL NOTES. Is it any wonder that the high school boys lost the game on Saturday at Williamsport? They left here in the morning on a very early train, many eating only a scant lunch for breakfast. They arrived at their destination after a long and tiresome ride at 2:30 o'clock in the afternoon. Here they expected to receive a fine dinner from the Williamsport team, but were sorely disappointed, inasmuch as they received no dinner at all. This forced them to play the game almost directly after their arrival on a comparatively empty stomach, and it is very surprising that they succeeded so well in holding their heavier opponents down to one touchdown, which was made about three minutes before the close of the game. John Horan, high school's crack guard and manager, put up one of the finest games on the field.

Monday the banner was not brought to the platform, as is the custom, but was kept down until the close of the session, when it was taken and put in its original position by one of the boys. Whether it was kept down because of the defeat or because of some other reason is no disgrace for any team to suffer defeat under such trying circumstances as the boys suffered at Williamsport.

The scrub team will play the Dunmore high school eleven Friday at Athletic park. A very interesting game is expected as both teams are about evenly matched. Harry Jones, the coach for the scrub, is doing all that lays in his power to advance the players in the knowledge of the game, as well as in the skill necessary to successfully cope with their adversaries from the borough.

It is sincerely hoped that the school board's expense for postage stamps will be diminished considerable this month. This can be done if the pupils will make an extra effort to get above the normal average of 70 per cent. in all their studies.

One of the pretty sights that was enjoyed by every visitor to the school last year was the marching in of the pupils from the locker rooms to the chapel exercises. This system left an impression upon the visitors which he could never forget.

Three of the players lost the first train and were compelled to leave on a later one, arriving at Williamsport just in time for the game.

DISASTROUS WRECK. Freight Train Smash Up—Engineer Badly Injured. Sunbury, Pa., Oct. 31.—A disastrous freight wreck occurred on the Philadelphia and Reading railroad near this city today.
